GREAT BRITISH FILMMAKERS

Junior Filmmaker Role

About PinPointMedia

At PinPointMedia our passion for film is unrivalled - where else can you be part of the creation of world class films for brands across the globe with a clear mission at the core - to make film accessible to all!

We need to be different, and that's where you come in. The exceptional individuals we hire, how we ask you to work and our approach and investment in our culture is what really sets us apart!

Since our humble beginnings operating out of a bedroom, we now conduct our business from a 2,500sqft Head Office in Cheltenham with a satellite office in London and have since become one of the fastest growing and most trusted British production companies for film and animation anywhere in the UK.

We have built a passionate and driven team of industry experts, who, over the last 5 years have lived and breathed our mantra – 'to make film accessible to all'.

Our experienced and skilful team of Filmmakers, Designers, Editors and Animators amongst many more ensure timely and perfect delivery for all of our projects to the highest of standards!

At PinPointMedia you need to be ready for a challenge. An adventure. The commitment. So that leaves just one question – do you have what it takes to #JoinTheRevolution?

What will you be doing?

Due to continued growth and internal promotion PinPointMedia are looking for a passionate and highly skilled Junior Filmmaker/DoP to join our team of talented Filmmakers. The role is full time across four days per week and will predominantly be on client site during the week. You will take project design briefs created with the client and our Projects team and bring them to life!

It will be the responsibility of the Junior Filmmaker to work on location with our clients, sometimes alone and sometimes within a crew, to capture everything required to create the emotive, beautiful and engaging content. You will need to use your own initiative and creativity to give direction, alongside the design brief if and where required. You will enjoy working with some of the world's leading brands on shoots spanning one full day on a single location to multiple days across multiple locations.

On-going training will be provided, with the opportunity to progress to Lead Filmmaker within the company.

Development and Reward

What comes as standard when you join our revolutionary team?

- Opportunity to be trained both as a drone operator and as a gimble operator.
- In depth Induction Programme
- National Living Wage Employer
- 4 Day working week 8am - 6pm
- Quarterly one to ones with your line manager
- 6 monthly appraisals with the Director
- Annual company bonus based on individual and team performance
- Company pension
- 23 days holiday allowance plus bank holidays, with additional days available for long-term service
- Employee Assistance Programme
- Monthly team culture events
- Summer and Christmas parties and of course team away days and evenings out!
- Guaranteed 1% pay-rise year-on-year
